To Whom It May Concern:

I am writing with regards to an April 26 presentation by Mike Domitrz at Iowa Mennonite School. Mr. Domitrz spoke to our 9th to 12th graders. The title of his presentation was "Can I Kiss You?"

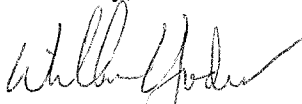

I fully endorse Mr. Domitrz's presentation for student audiences. He is a captivating speaker with the ability to engage an audience quickly. He was able to connect with our students even though we had an early morning time of 8:15 a.m.

His presentation encourages respect for both males and females. He gives timely tips on how to speak candidly and at the same time sensitively with respect for self and the other party.

I appreciated his words on the dangers of alcohol and positive responses that can be made when friends are involved with alcohol.

You may contact me if you need further explanation of how Mr. Domitrz may be beneficial for your school audience.

Sincerely,

Wilbur Yoder
Principal
